Hey Rob,

I just wanted to take a moment to thank you for your time and efforts last week, on behalf of the Somali Government leaders. The candid discussion they had with Mr. Carson and his team was very useful.

The Prime Minister and his team are aggressively working with their colleagues to develop a consensus on a plan, that would be acceptable to the United States and the International Community. I was wondering if you might have time to discuss some of these matters with me?

My name is Joel A. Giambra and I work for former U.S. Senator Al D'Amato and was a local elected official in Western New York for 25 years. Park Strategies, LLC and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Republic of Somalia. As I mentioned, my last elected office was as Erie County Executive. It was in this capacity that I became familiar with the Prime Minister who worked in my administration for approximately 5 years. He is one of the most honest, sincere and bravest people I have known in many years. Have a great weekend! Joel
